Kimberley Photography Adventure

Hi there,

We have just returned from our first hugely successful, seven day photography adventure in the Kimberley. Our guests were jumping out of their skins with the scenery we were able to put them in front of. Our local knowledge and Kimberley guiding experience combined with the fun and hospitality of Digger's Rest Station, proved a great combination.

We have spaces available on the July 13 - 19 trip and would love to have you join us! \$2650 includes all meals, accommodation, transfers. Flights not included.

You will need to book ASAP as flights to Kununurra will become harder to get at this time of year. Please call us to discuss fly in, fly out times as we are remotely located.

Images from last week's trip are being added daily to our webpage and Facebook pages. Like our page and check out the Info For Guests on the webpage. www.ontheverandah.com.au www.facebook.com/ontheverandah

Call to book or enquire today, Rachel 0428 254 529 or Andrew 0419 705 860.

Hope to see you soon in the Kimberley,

Rachel & Andrew

What a fantastic place this is. Thank you so much for your wonderful hospitality and allowing me to photograph the station life. This trip will stay in my memory forever.
Joanna McGrow, May 2014.

A truly memorable trip in the best possible way. I'll be back. - Greg Foulds, May 2014.

Absolutely mind-blowing! The most stunning location. The advantage of having two locals who know all the best places to go to at the right time of day. An absolute must for a keen photographer. The hospitality shown by Alida and Roderick is unsurpassed. Add the always willing to help with a smile Rachel and Andrew of "On The Verandah" who offer the ultimate artistic and photographic Kimberley experience. Thank you everyone. Awesome!
- Carol Darby, May 2014.
